

# Alt ELPA Screener

Every student deserves a fair and accessible pathway to language support, which is why we're proud to introduce the Alt ELPA Screener. This groundbreaking new screener was developed to assess students whose home language surveys indicate they may be English learners and who have, or may have, significant cognitive disabilities.

## FEATURES

### AUDIENCE

Potential English learners with significant cognitive disabilities in Grades K-12

### FORMAT

Online

### WINDOW

Customizable by state - see your state's ELPA21 portal

### STANDARDS

10 standards covering four language domains

## TEST TIMES

### SINGLE-STEP MIXED DOMAIN

K

1

2-3

4-5

6-8

9-12

4-12

6-14

7-16

9-18

11-23

9-20

Estimated student work time in minutes. Please allow for up to 10–15 minutes for test set up and instructions.

## NUMBER OF QUESTIONS

### LISTENING

3

### READING

4

### SPEAKING

### WRITING

4

Also includes a practice session with two unscored questions: one for Listening, one for Speaking

## BENEFITS

- Simplified question presentation and navigation tailored to students with disabilities
- Highly customizable accommodations and supports to meet students' unique needs
- Test administration is nearly twice as fast as traditional screeners
- Score reports include user-friendly graphics for ease of interpretation

## PURPOSE

### USES OF SCORES

- Identifying students who are English learners
- Informing placement into appropriate English learner services
- Determining performance level in each of the four language domains
- Providing families and caregivers with relevant information to support student success
